184.58 acres of fenced & cross fenced land that touches onto Lake Isle at the back of the property. Seller recently spent \$70,000 on fencing. Great set up for cattle with a creek going through the middle of the property top to bottom. Average pasture of 40 cows/calf. If you are thinking of leasing the land for pasture it could bring in an additional value of \$5,000. There is a small dug out. The raised area would be a great place to build a home and have a view of Lake Isle. Power is close by. You can see the power line on the north side of property. Gas Co-op pipeline is across Hwy 633 on north side. Seller belongs to the Alus Parkland program and receives \$1,600 per year in revenue.
